

**The new
stars
of indie
press**

In the beginning, this

Disappearing

users

a greatful public liked it that use

Silent noise

and we were safe and sound

Quiet although we were making so much

Some of us
out to James
were our
stigma cord
shave

were sent
where we
uniforms of

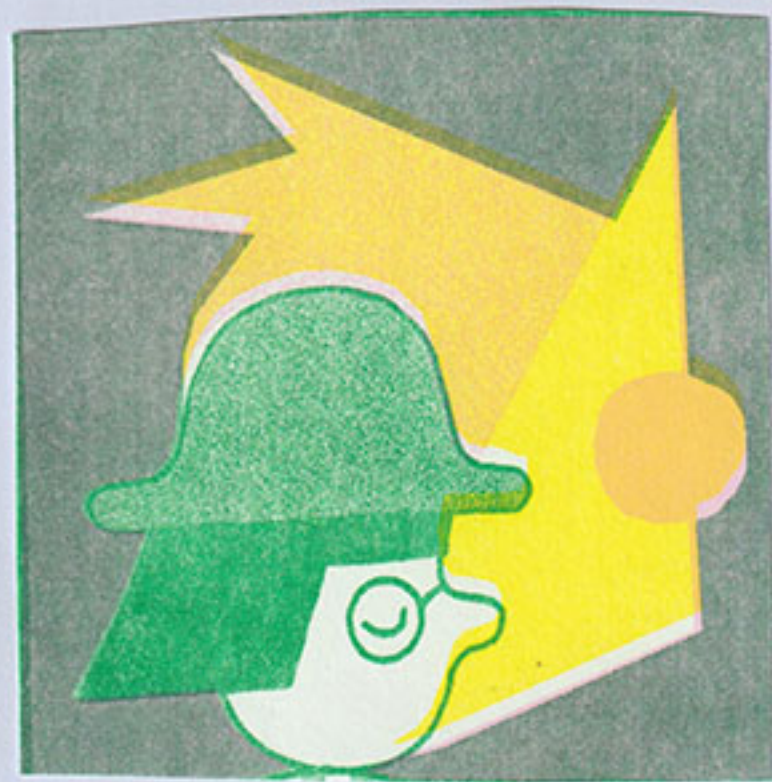

Some
of us
who
survived
into
adulthood
found
another
way
out.

were sent
side of the
disorder

would to
to the other
Some of us

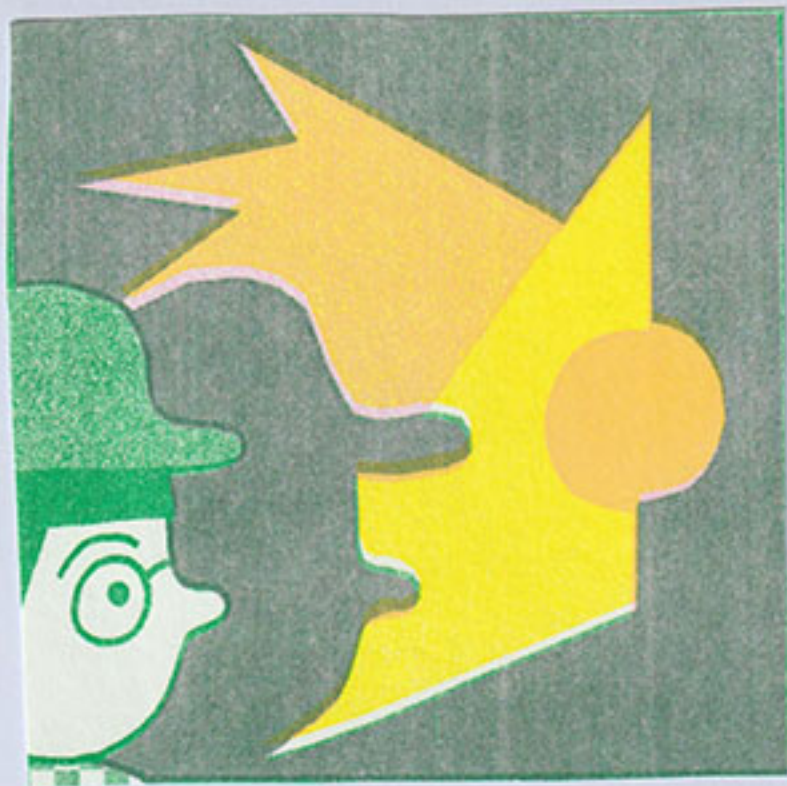

The rest of us were decanted
into the community, eventually
and we were chemicalised

So that we didn't fit into
the same space as the rest
of the herd.

But suddenly,

THIS!

we lost our crowd
Pleasing mask - oh the
Horror!

I wanna be this
Cook!
